Empowering Youth: Over 500 Students Trained in Citizenship, Leadership and Entrepreneurship Program

In a significant initiative under the Community Development Program of CEF, Citizenship, Leadership and Entrepreneurship (CLE) sessions were conducted across Dhirkot and Leepa, Azad Jammu and Kashmir. The training, held in every union council, saw enthusiastic participation from over 500 student leaders, including both boys and girls.

The sessions focused on equipping these young leaders with essential problem-solving skills. Our dedicated CLE team guided the students through seven practical steps and tools for effective problem-solving. This initiative aims to empower the youth, fostering leadership and entrepreneurial skills crucial for their future success. The overwhelming response highlights the eagerness and potential of these young minds to lead and innovate.
