OUR FOCUSED PROGRAMS

01

Character Building Program

Our Character Building Program (CBP) is based on 5 fundamental areas and 25 character traits for character development that focus on building the young generation's character.

03

Community Development Program

Our Community Development Program (CDP) empowers individuals through Citizenship, Leadership, and Entrepreneurship (CLE) training, providing essential skills and mindset for driving positive change within communities and beyond.

05

Mentor Development Program

Our Mentor Development Program (MDP) transforms parents and teachers into exceptional mentors. It offers specialized training to enhance teaching. The program is supported through specialized CEF institutions nationwide.

02

Quran & Sunnah Program

Our Quran and Sunnah Program (QSP) offers education of Nazirah Quran, Fahm-ul-Quran, and Hifz with Understanding. This program aims to help people learn and understand the Quran in an easy and meaningful way.

04

Youth Leadership Program

Our Youth Leadership Program (YLP) develops university students' leadership skills for future roles. It provides value-based leadership training, featuring dynamic outdoor activities under Youth Impact and hands-on training for intellectual development.

OUR DELIVERY CHANNELS

01

Character Education Academies

Character Education Academies (CEA) are set up in 10 districts. They train teachers in Nazirah Quran, Fahm-ul-Quran, and character building. Short courses are offered to help teachers become mentors, equipping them to guide and inspire students.

03

Character Education Homes

Character Education Homes (CEH) are set up in rural areas to train women. With 25 centers running, they offer courses on Quran, seerah, purposeful life, parenting, and marital life. Graduates join learning circles for continued growth. The goal is to open 45,246 homes.

05

Educational Institutions

Our customized books and specially designed programs are integrated into the curriculum of educational institutions across Pakistan. These resources support character building, helping to shape a brighter future for students by providing them with the tools they need to succeed.

02

Character Education Institutes

Character Education Institutes (CEI) support urban women with courses on Quran, seerah, purposeful life, parenting, and marital life. Eight institutes are operating in cities like Karachi, Lahore, and Islamabad. The goal is to establish 1,800 institutes nationwide to empower women.

04

CEF Online

CEF Online provides an easy-to-use Learning Management System. Learners can track progress, engage with content, and manage the learning at their convenience. It offers not only Quranic studies but also courses that help in character building of our young generation, all accessible through a seamless digital platform.
